

FACT FAMILY RAP

Fact families! Fact families!
Fact families are so fun.
Daddy is big,
Momma is middle
And baby is so little.

Multiply! Multiply!
This is how it goes:
Daddy's at the end,
Yeah he makes it flow!

Mult-i-ply!
Daddy's at the end,
Switch momma and baby!

Division! Division!
We switch it all around
Daddy stays in front
That's where he is found.

Div-i-sion
Daddy's at the front,
Switch momma and baby!
