

# DOUBLES AREN'T TROUBLE

Roll one dice. Double the number. Place a counter on the double. If you roll a number that your partner has put a counter on, you may choose to not play one of your counters and take their counter off.

Be the first person to get 3 counters in a row!

12	4	6	18	14
14	2	8	10	6
10	16	2	8	16
4	18	6	10	4
8	2	18	16	12
