

Multiplication War

Directions:

1. You and your partner flip 2 cards over at the same time.
2. Each person tries to say the PRODUCT of the cards first.
3. The person who says the PRODUCT first gets to take all the cards that were flipped over.
4. If you and your partner both flip the same number over at the same time, you flip 2 more cards over each.
5. The person that wins this, gets to keep both sets of cards!
6. The game is over when one person has all the cards.
